

21. Assumption of Moses 10:1-3.

22. I Enoch 46:1.

23. *Babylonian Talmud*, Sanhedrin 98a.

24. IV Ezra 12:32.

25. The Jewish Publication Society's *Holy Scriptures According to the Masoretic Text* (1971, 1945) only transliterates them: "Pele-joez-el-gibbor-Avi-ad-sar-shalom," in the text, relegating the translation to a footnote where it is handled as a sentence referring to God *rather than* to the Messiah: "Wonderful in counsel is God the Mighty, the everlasting Father, the Ruler of Peace." The *New English Bible* (1970) translates *el gibbor* here as "in battle God-like," though elsewhere in that translation it is rendered "God Almighty"!
